Rotary Point

at West Bay Park

A Gift to Our Community

Rotary Point is located within the City of Olympia's future West Bay Park, an area adjacent to Budd Inlet and the future West Bay Trail. Groundbreaking is scheduled to occur in mid-2009. You can become a part of this public-private partnership among the seven area Rotary Clubs, the City of Olympia, and other community members by helping to "pave the way." One hundred percent of your investment in an engraved brick, paver, wall seat, or picnic table will go to the development and maintenance of Rotary Point.
